GENERAL RULES

2025

Membership

Golf, Social, and Social-Pool memberships are available at the Club. LeSueur Country Club, in the Membership's best interest, has limited the number of Golfing Members to 350. The Membership Year is defined as the calendar year.

Resignation Policy

All active Members and their Subscriptions (annual cart fees, club storage, lockers, and handicap) will be re-enrolled unless notified in writing by December 31st. Members who wish to resign must notify the Club in writing prior to the end of the calendar year. If notification is received after the end of the calendar year, yet prior to April 1st, the annual dues will be waived; however, the stock value will be forfeited to the Club. If notification is received after the first of April, payment of the annual golf dues will be required. Golf members wishing to change to a Social membership may notify the Club of their intent and upon approval, the dues rate will be changed to the appropriate amount. Social members wishing to change to a Golf membership may notify the Club of their intent and upon approval the dues rate will be changed to the appropriate amount. If the notification is received prior to August 1st the annual golf member dues will be charged. If notification is received after August 1st, the golf dues will be charged pro rata for the balance of the year.

Stock Subscription

A stock subscription of one share of stock, valued at \$300, is also required of all adult stockholding golf and social members.

Spending Requirement

Stock holding Golf Members must spend a minimum of \$375.00 (Single Memberships) / \$500.00 (Family or Dual Memberships) in the Clubhouse on **FOOD ONLY** during the golf season. Purchases must be charged to the stockholder's member account. Tax and gratuity do not apply toward minimum. Any accounts not reaching this food requirement will be billed by the end of the calendar year for the balance.

Credit Policy

The business office at the Club prepares a monthly billing statement at the end of every month. This statement will include all charges made at the Club for that month, plus the dues for the next month (for those members choosing to have their annual dues billed on a monthly basis). The payment of this balance is required to maintain your membership status at the Club. Disputes may be registered within 30 days after receipt of statement. Member charge accounts that are not paid in full by the last day of the month in which the billing statement is received are "past due" and subject to a finance charge of 1.5 % of the "past due" balance. Member charge accounts that are not paid in full by the end of the second month, after receipt of the billing statement, are considered "delinquent". Golfing and charging privileges will be revoked to accounts deemed to be delinquent until all "delinquent" payments are received. Further if payment of "delinquent" charge amounts is not received by the next meeting of the Board of Directors, the membership will be "suspended" and legal action will begin for collection of the entire balance owed by the member charge account. A 3% convenience fee is added to account charges settled by credit card. There is not a fee for ACH payments, and these fees do not apply to daily credit card transactions.

Tee Time Reservations

Members may book tee times up to **two weeks** in advance. Reservations may be made online or via the Golf Shop. When booking tee times please provide the names of all other players in your group. Singles and twosomes may be paired up to ensure a good pace of play and minimize waiting on the golf course. Effort will be made to pair players with similar preferences. Please call and cancel any tee times, including standing times on Ladies' Day and Men's Day, so these times can be utilized by others.

Thursdays are Men's Days. Women may book tee times before 10:00am and after 4:30pm. Between 10:00 and 4:30, all golfers on Thursdays must be 19 years of age or older.
